

Circular Letter 11/2021

28 January 2021

Subject: IALA Heritage Lighthouse of the year 2021

To: All IALA members

Dear IALA Member,

I hope that you are keeping well and in good health during these difficult times of the pandemic.

The nomination for the 2021 IALA Heritage Lighthouse of the Year Award was published on the website following the Council decision at the 71st Council last year.

It is another opportunity to place your most precious lighthouses in the spotlight and perhaps there is a great job of lighthouse conservation or public education and access you would like to celebrate and have recognised worldwide.

A Heritage Lighthouse is any lighthouse of cultural significance which goes beyond its current function and time. It does not have to be old, but it must have a cultural value.

The submitted nominations will be published on the website and the nomination form containing guidelines is available at: <https://www.iala-aism.org/heritage/>

The deadline for submission is 28th February 2021.

Yours sincerely,

Francis Zachariae
Secretary-General
