

Circular Letter 30/2022

21 November 2022

Subject: **First quarter 2023 events and meetings**

To: **Members and Sister Organizations**

Dear Members,

IALA is preparing a number of technical events and meetings the first quarter of 2023 in strong support with our National Members:

- **ENAV Extraordinary meeting 1, 30 January to 3 February 2023 in IALA HQ:** Information and registration through this [link](#).
- **Digital@Sea International Conference, 6 and 7 February 2023 in Copenhagen, Denmark** which is intended to continuously be proving an excellent platform for facilitating the harmonized global development of e-navigation technology and best practices and for coordinating the work of the international organizations involved.
- **Workshop on Digital maritime communication, 20 to 24 February 2023 in Tokyo, Japan** aimed to assist marine AtoN authorities, other shore authorities and IALA members to understand the requirements and further develop digitalization of their services to support future maritime communications. Information and registration through this [link](#)

The following dates has been for the ENAV meeting have been agreed;

Session	Deadline input paper	Physical week (Monday to Friday at IALA HQ)	Online Closing Plenary	Notes
Extraordinary meeting 1	9 January 2023	30 January – 3 February 2023	9 February 2023 10:00 - 11:00 UTC	Opening Plenary part of the physical week at 10:00 CET on 30 January

Invitations will be issued in the coming weeks and the working arrangements will also be made available on the IALA website. If you have any questions, please do not hesitate to contact us by e-mailing [contact@iala-aism.org](mailto:contact@iala-aism.org). The IALA Secretariat is very excited about seeing you all again in person.

Yours sincerely,

Francis Zachariae  
Secretary-General
