

ACCREDITED TRAINING  
ORGANIZATIONS  
DELIVERING  
IALA R0103(V-103)  
VTS MODEL COURSES

10 March 2023

## 1. INTRODUCTION

The following training organizations have been accredited by their respective competent authority to deliver vessel traffic service (VTS) training based on the procedure set out in IALA Recommendation R0103.

The competent authority has provided to IALA confirmation of the accreditation and approval in accordance with IALA Guideline 1014 (section 4).

## 2. FURTHER INFORMATION

Enquiries regarding specific VTS training courses should be referred to the relevant accredited training organizations.

Enquiries regarding national VTS training policy or the accreditation and approval process should be referred to the relevant competent authority.

## 3. INCLUSION ON THE IALA LIST OF ACCREDITED TRAINING ORGANISATIONS

Inclusion on this list indicates that the respective competent authority has accredited the training organization and approved the courses listed in accordance with IALA Guideline 1014 on the Accreditation and Approval Process for VTS Training.

In accordance with section 4 of IALA Guideline 1014, competent authorities wishing to add an accredited training organization should inform IALA about the accreditation application and provide a copy of the approval certificate(s). Competent authorities wishing to amend the details of courses offered by accredited training organizations should provide a copy of the approval certificate(s) or provide written confirmation for the removal of an approved course as appropriate.

The contact e-mail address for enquiries with respect to general IALA standards related to VTS training and certification or the accreditation and approval process is [academy@iala-aism.org](mailto:academy@iala-aism.org)

Accredited training organizations are located in the following countries and they should be contacted directly for course entry requirements and availability:

Australia	United States of America
Belgium	
Brazil	
Canada
